INTRODUCTION

I am a third-year Civil Engineering student at UBC Okanagan who enjoys working in a team environment. Whether it's lifeguarding, organizing activities, or collaborating on group projects at university, I always bring a positive attitude and a strong work ethic.

EDUCATION

- Third year Civil Engineering, UBC Okanagan
- High school Diploma with Dual Dogwood (French & English proficiency)
- Standard First Aid with AED and CPR level C

PROJECTS

- **AutoCAD remote control bike**
 - Designed and manufactured a small-scale electric bike
 - Motor and steering column were manufactured and coded so that the bike can vary in speeds and turn independently
 - Ran multiple testing phases and prototypes to ensure reliability, safety, and functional performance
 - Worked and communicated efficiently with a team to assemble, troubleshoot, and refine mechanical components
- **Automatic sprinkler system**
 - Designed to help reduce water use in the Okanagan area during droughts
 - Sprinkler system designed with farms as the focus
 - Meetings with farmers for relevant component choice
 - Soil monitors to monitor ground saturation levels and predict when watering was needed
 - Humidity sensor to predict next rainfall and water around that schedule
 - All sensors and systems programmed to be fully automated and reliable
- **Run-of-River Hydroelectric Pre-Consultation Report**
 - Assessed a run-of-river hydroelectric system on a BC river, analysing elevation drop, flow rate, and site access.
 - Weighed environmental impacts, including salmon migration and habitat disruption.
 - Co-wrote a technical report with a five-person team, balancing engineering details with clear communication for non-technical audiences

RELEVANT SKILLS

- Proficient with Java, AutoCAD, SolidWorks, ArcGIS Pro, and Microsoft Applications
- Familiarity with surveying tools (Total Station)
- High level French language
- Strong communication

WORK EXPERIENCE

- Lifeguard/Swim instructor at North Vancouver Recreation Centre, Mar 2021- Aug 2026
 - Applied risk assessment and safety protocols, making decisions quickly in high-pressure situations
 - Communicated clearly with a wide range of people, building strong social and teamwork skills
 - Performed regular checks on pool safety equipment to make sure they were up to standards
 - Worked as a team with other lifeguards to coordinate tasks to everyone's strengths
- Guest Experience at YYOGA Lonsdale, June - Aug 2026
 - Handled check-ins, questions, and studio cleanliness during back-to-back classes

VOLUNTEER EXPERIENCE

- North Shore Mountain Bike Association (NSMBA)
 - First aid responder for the Fiver races (Mountain bike races)
- High school mountain bike team leader
 - Organized and led group rides for the Argyle Mountain bike team
- High school Chess club president
 - Lead a chess club, organized tournaments and events

INTERESTS & HOBBIES

- Skiing & snowboarding (Certified instructor & AST1)
- Mountain biking (Certified instructor)
- Dodgeball
- Piano (Royal Conservatory grade 8) & Saxophone
